4. broader experience of a range of sports and activities offered to all pupils	Introduce children to new sports in order to develop new/different skills.	Investigate Speed Stacking Resources. Consider whether this could lead to a lunchtime or after school club for those children not engaging in mainstream sport/physical activity. Speed stacking could potentially target children with poor fine motor skills. (Currently difficult to implement due to Covid-19 and class bubbles)	£1000			
	Target children currently not engaging in regular exercise, in order to reduce levels of inactivity. Hope to see improved levels of confidence.	P.E Co-ordinator to consider additional activities/sports that could form part of an increased offer for children at break times. Discuss with Head teacher and staff, including lunchtime supervisors, on how this could be achieved. (Space required, areas to be used, staff needed, rotas etc).				
	Additional swimming sessions for Year 6 pupils, with the aim of ensuring 25m distance.	Identify children who require additional sessions to achieve expected end of Year 6 distance (25m). (To be done at end of Autumn Term 1, after Year 6 classes have completed 6 sessions) Children to attend lessons with own class and Y5 class until distance achieved. (Will possibly need to also go with Year 4 class)	£400			
	Outdoor Activities and Orienteering.	Contact outdoor activity centres, forest activity centres etc to discuss possible opportunities. Link to healthy lifestyle, being outdoor/active and respect for nature. New member of staff to deliver sessions (Spring/Summer 2022), following departure of Mr Richmond to new role.	£1500
