

Dear Parent/Carer

As you will recall, the academy was visited by Ofsted for two days last month. I am delighted to share with you the news that Ofsted has deemed the school **Good** overall; and **Outstanding** for the children's behaviour and attitudes.

Ofsted's final report following our inspection (10th-11th October 2023) accompanies this covering letter. The report will also be published today on the Academy website and then, in eight working days' time, on the official Ofsted website.

We are pleased that the hard work undertaken by everyone in our school community has been recognised and that many elements of good practice have been highlighted.

Pupils are proud of Cherry Willingham Primary Academy. They would not hesitate to recommend the school to others. Pupils are happy and they feel safe. They value the staff and appreciate the sense of togetherness. Pupils say, 'It's like one big family where everyone is treated the same.'

- Ofsted 2023

We are proud to meet the needs of our children and families and we recognise that the outcomes achieved would not have been possible without the dedication and commitment of the whole Cherry Willingham community. We thank you for your continued support, along with that of our pupils, staff, leaders, Governors and members of the Trust.

As ever, if you have any questions regarding your child's education, please do not hesitate to get in touch with the academy.

Kindest regards.

Mrs G Curtis
