

## NEWSLETTER MAY 2021

Thank you to the parents who filled in the parent survey, the overview of results are attached to the e mail. The pupils have also filled out a survey and we are collating the numbers at the moment. The Trust safeguarding lead has also been in to interview pupils on their understanding of the RSE (Relationships and Sex Education) curriculum being taught at Cherry. The pupils did us proud.

Mrs Cleall-Harding has now started her maternity leave and is expecting her baby soon. We wish her all the best. Mrs Barnes has now taken on the teaching of Y3 full time. We are expecting Mrs Reynolds back off maternity leave in July of this year.

**After half term** the wearing of masks on school grounds will be optional but still recommended. Parents and carers will still need to wear a mask in the school office area or when coming into school for a meeting. All teaching will continue in the class “bubbles”.

**UNIFORM** On the return from half term (7th June), we expect all pupils to wear their school uniform every day and bring a PE bag on a Monday. This will stay in school all week and be taken home on Friday for the kit to be washed (as we used to do). We want to try and get back to some normality and the younger children can practice getting dressed and undressed! Please make sure **no trainers or leggings** are worn with school uniform. Please make sure longer hair is tied up on a school day. Thank you.

The teachers have begun writing the children’s reports and these will go out to families on 15th July.

**Sports Day** At this time of the summer term we would usually be running clubs like athletics and cross country, with a range of fixtures against other schools. Unfortunately, but not surprisingly, we are unable to have a normal sports day with parents coming into school. Instead our plan is to take the children out in groups, on their PE day, to run races and have some sports day fun. This will hopefully take place in June. We will take pictures and post them on our facebook page (where permission has been given). Hopefully next year we can look forward to a sports day where we can share the experience with families!

Thank you for your ongoing support.

Mrs Evans

Head Teacher
